

REMARKS/ARGUMENTS

Claims 1, 39, and 41-46 have been allowed.

This amendment is responsive to an Office Action dated June 21, 2007 in which the Examiner states that the application is incomplete due to an informality in the drawings.

Applicant has been required to comply with 37 CFR 1.84(a) by submitting three (3) sets of color drawings along with a Petition and the appropriate fees under 37 CFR 1.84(a) as well as an amendment to the specification regarding same.

Accordingly, the instant submission cures the above-noted deficiencies and complies with 37 CFR 1.84(a).

No new matter has been added by the above amendment to the specification.

SUMMARY

Applicants respectfully request favorable consideration of the instant amendment followed with issuance of the above-referenced application as a US Patent.

Respectfully submitted,

Ferris H. Lander
